

Radiant C™ Daily Facial Scrub Cleanser

What is it?

- A daily cleanser for all skin types

Radiant C™ Daily Facial Scrub Cleanser

How does it work?

- Jojoba/Beeswax beads gently cleanse and polish skin to help prevent a dull, tired complexion
- Vitamin C with citrus extracts cleanses and helps protect skin from free radical damage

Radiant C™ Daily Facial Scrub Cleanser

Why is it important?

- As we age, skin cell turnover decreases resulting in dull looking skin
- Vitamin C is a powerful antioxidant that helps skin defend itself from free radical damage

Radiant C™ Daily Facial Scrub Cleanser Herbalife Unique Solution

- Unique formulation that helps maximize antioxidant skin protection and is suitable for all skin types
- Jojoba and beeswax beads for smoothing and polishing

Radiant C™ Daily Facial Scrub Cleanser Key Message

- A gentle cleanser with vitamin C and jojoba beads to revitalize and polish skin

Radiant C™ Daily Skin Booster What is it?

- A daily gel-cream with vitamin C to improve skin texture and radiance for all skin types

Radiant C™ Daily Skin Booster How does it work?

- Light gel-cream with vitamins C and E helps to seal in skin's own natural moisture, preventing dry skin
- Minimizes appearance of pores
- Helps make up glide on with ease
- Should be used under your daily SPF moisturizer

Radiant C™ Daily Skin Booster Why is it important?

- Helps prevent moisture loss which can cause dull looking skin
- Replenishes vitamin C in the skin, a key antioxidant for free-radical protection

Radiant C™ Daily Skin Booster Herbalife Unique Solution

- Made with a high-quality, stable form of vitamin C to protect against free radical damage

Radiant C™ Daily Skin Booster Key Message

- Light gel-cream that seals skin's natural moisture to improve skin texture and radiance

Radiant C™ Face Quencher What is it?

- A refreshing facial mist that revitalizes and refreshes skin in an instant

Radiant C™ Face Quencher How does it work?

- Provides dry, water-starved skin with a cool, rejuvenating burst to “wake up” dull, tired-looking skin
- Delightful fruity scent instantly refreshes and uplifts

Radiant C™ Face Quencher Why is it important?

- Skin becomes tired and dull throughout the day
- Revitalizes and refreshes tired skin

Radiant C™ Face Quencher Herbalife Unique Solution

- Provides instant hydration
- Helps set make up for longer wear

Radiant C™ Face Quencher Key Message

- Instant hydration for dull, tired skin

Radiant C™ Body Lotion

What is it?

- Refreshing, orange-scented body lotion with SPF 15 to moisturize and protect skin from normal everyday exposure to the sun

Radiant C™ Body Lotion How does it work?

- Broad-spectrum SPF 15 sunscreen includes Parsol®¹ 1789 for protection from damaging UVA and UVB rays
- Infused with Vitamin C for antioxidant defense

¹ Parsol® is a registered trademark of DSM Nutritional Products, Inc.

Radiant C™ Body Lotion Why is it important?

- Much of skin's damage and aging is due to daily exposure to sun
- Sun's damaging rays can penetrate clothing, windows, and clouds
- Nongreasy formula can be used everyday

Radiant C™ Body Lotion Herbalife Unique Solution

- Combination of stable Vitamin C and broad spectrum UVA/UVB sun protection
- Provides everyday moisture and protection all in one

Radiant C™ Body Lotion Key Message

- Moisturize and protect your skin everyday, year-round
