

# Active Fiber Complex

## What is it?

- A healthy fiber powder to support regularity and healthy digestion
- Available in a natural flavor and a delicious apple flavor

# Active Fiber Complex

## How does it work?

- Promotes regularity and healthy bowel movement\*
- Supports growth of friendly intestinal bacteria\*
- One serving provides 5 grams of the recommended 25 to 35-gram daily intake of fiber

\* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

# Active Fiber Complex

## Why is it important?

- Many modern diets lack sufficient fiber, which is important for weight management and intestinal health
- Most people eat half the recommended daily dietary fiber intake

# Active Fiber Complex Herbalife Unique Solution

- Contains both soluble and insoluble fibers to minimize bloating
- Enhances Formula 1 shake with great health benefits while adding a 'feel fuller' benefit and a thicker consistency

# Active Fiber Complex Key Message

- Promotes regularity, healthy bowel movement and general digestive health\*
