The AWT STARS Special Recognition

Open to all Summit Qualifiers who help three or more non-TAB members qualify or requalify for AWT 2023 within their first 3 levels in separate legs and personally qualify for the Promotion.

See qualification progress tracker available at [MyHerbalife.com](https://www.MyHerbalife.com).

Qualifications

- The AWT STARS Promotion is open to all Summit Qualifiers
- All AWT STARS Qualifiers must complete personal AWT qualification to be eligible for AWT STARS recognition (except President's Team members).
- 1 STAR will be credited for every first downline non-TAB 2023 AWT Distributor in your organization up to 3 levels deep.
- Downline contributor level (TAB or non-TAB) is based on their status as of August 2022, so if they qualify as a TAB Team member after that day, they will still count as a STAR.
- If your first or second level downline Distributor is a TAB Team member, they will block you from receiving a STAR from an AWT downline below them unless this downline TAB Team qualification date is after August 2022 or this Distributor is also an AWT Qualifier and is already your STAR contributor.
- An AWT STAR contributor can only be counted as a STAR one time and for only one AWT STAR recipient. The final count of STARS is subject to change and will be finalized at the end of the qualification period.
